

Scott Sanders

SVP, PAX RIVER BU

Scott.Sanders@magaero.com

M&MAG AEROSPACE

Mr. Sanders currently serves as the Senior Vice President of the Pax River Business Unit.

Rear Admiral (Ret.) Sanders is a United States Navy veteran with over thirty three years of service and carrier aviation experience. Culminating his military service were Flag assignments as Vice Commander U.S. Naval Forces Central Command; Deputy Commander, U.S. Second Fleet; Deputy J7, Joint Chiefs of Staff and as International Commander CTF-151, Counter Piracy Operations off of Somalia.

Prior to joining MAG, Mr. Sanders held positions as President of Ausley Associates and Senior Vice President for Wyle. Mr. Sanders has flown over 6,000 flight hours with over 2,500 of those as an Engineering Test Pilot. He has logged over 300 arrested landings on nine different aircraft carriers.

Mr. Sanders holds a Bachelor's of Science degree from the U.S. Naval Academy and has completed Wharton, Keenan Flagler, Sloan and Darden Executive Business courses. He is an MIT Seminar XXI fellow in International & Strategic Policy.
